TIC TALK

Hail Hail Bhoys and Ghirls

We would firstly like to thank everyone who supported recent Club events. The charity football match against The Jimmy Johnstone CSC Gosport was a very successful evening - further details can be found inside. The 5th Anniversary Rally was also a very good evening, enjoyed by all in attendance.

On a more sombre note the finances of EDIS are not good. One of the major expenses identified as being a drain on their resources is the £5000 paid annually to Sky. Until now we as a Club have contributed just over £1000 annually. There has been a request for a more substantial contribution from Us with immediate effect and this will be settled on between both Committees in the coming weeks.

In such circumstances it is very much a case of The Irish Club needing Us, as much as we need them. If the EDIS goes out of business we will be without a venue. Equally should the EDIS decide that Sky is too expensive, we'll not be able to watch the games. It is therefore critical that we all do what we can to support the Irish Club, through attending games, spending a few quid over the bar and participating in other events organised by the CSC.

As well as our annual St Patrick's night we are planning a number of smaller scale events, such as a quiz night and a race night in order to boost club funds. If you have any other fund raising ideas please let us know.

Many thanks in anticipation of your continued support

Charity Football Match

On the 4th of September the Chris Sutton CSC travelled to Gosport to play in a charity football match against the Jimmy Johnstone CSC, Gosport. Unfortunately despite the best efforts of the huge team we were beaten 3-2.

The purpose of this event was to raise money for the Motor Neurone Disease Association, after the game all involved were invited back the Gosport club where a raffle was held and refreshments were served.

The evening raised £1049.60, this figure does not include sponsor money raised by the players. Many thanks to the players and supporters who attended and to those who sponsored the players.

If still you have any sponsor money could you please send it directly to MDNA at the address on the sponsor form.

ST Patrick's Night 2010 - Early notice.....put it in your diary

Our annual St. Patrick's Night Dance will take place on Saturday the 13 of March 2010.

We will be sticking with our traditional successful format, a ceilidh band, irish dancers and a raffle. Tickets are likely to be priced at £10.

Please note that this is not a 'Celtic' night in the way that the October do is. It is the Chris Sutton CSC St. Patrick's night - Please invite your friends, family and colleagues to ensure we fill the hall and have a great night.
